

Our value for the month of May is  
"Co-operation".

"How wonderful it is. How pleasant.  
For God's people to live together in  
harmony".  
Psalms 133:1

### Memories

Tuesday's collective worship was about the importance of friendship and how experiences we have shared with friends will stay with us for the rest of our lives.

Children were invited to remember Mr Mallon and an occasion when they had shared something with him; whether some work they were proud of or even a funny moment. The children may now choose to write these down to post into our memory jar in the school.

### SATs week

Our Year 6 children have been working hard all year for their SATs tests which are taking place next week. Tests will be taking place in the hall as well as classrooms.

**Can Parents of other year groups please be considerate and arrive ON TIME to school to prevent disruption to the tests.**

**Classes are open from 8.50am.**

**Register closes at 9.00am.**

Thank you.

### WALKING BUS

There is no walking bus on Monday but Mrs Parma resumes her duty on Tuesday. Please can we remind parents that if children choose to play on the outdoor equipment at the Village Hall they need to be fully supervised and should not be left alone. Mrs Parma's duty is to oversee the walk to school only. Thank you.

### FRIENDS

The Friends Committee will be meeting with all Class Representatives soon to discuss and plan for this year's Summer Fete which is on Saturday 24<sup>th</sup> June.

Do please make yourself known to your class reps if you would like to be involved. We really do need as much help as possible in making this a success. The Friends hope to be able to have the mosaic area finished soon. We will be distributing additional fundraising dates shortly.

Class reps are:

Reception:	Mrs Armstrong
Year 1:	Mrs Jex
Year 2:	Ms Kafta
Year 3:	Mrs Willis
Year 4:	Mrs Seeley
Year 5:	Mrs McGuinness
Year 6:	Mrs Byles

### CHRISTIAN AID WEEK 14-20<sup>th</sup> May

Going home next week will be Christian Aid collection envelopes.

I organise the collection in Woolmer Green and the Oaklands area. We have the potential to raise a lot of money for this cause and hope you will be able to support us.

With thanks.

Susan Keach (01438 716657 )

### Medical information Reminder

If your child has asthma, it is vital that their inhalers are up to date and clearly labelled in the event of an emergency.

Thank you.

## Summer Term News

Week ending 5<sup>th</sup> May

### In class this week...

#### **Cherry**

We have been finding out about the artist L S Lowry. This week we looked at perspective and painted our own landscape, which had to include sky, clouds, hills and buildings.

We are all continuing to enjoy the cricket coaching, this week the focus was on batting and coordination. (Photos from Elm class)

#### **Redwood**

We have been investigating magnets, sorting which materials are magnetic by testing them. Here the children are looking at the magnetic field of a bar magnet shown by sprinkling iron filings onto paper over the magnet.

#### **Beech**

We made spinners in science to test air resistance against gravity. We carried out an investigation to find out if weight effected the time it took for the spinner to fall.

### What's On

w/c: 8.5.2017 SATs Week (Year 6)  
18.5.2017 Cherry (Y2) Assembly 2:45pm  
25.5.2017 Willow (Y1) Assembly, 2:45pm  
24-26.5.2017 Year 6 Residential Trip  
(PGL Caythorpe Court)

Well done to the following children who were in Good Work Assembly this week.

#### Willow Class:

Charlie - the creation of his own page from a dictionary and neat writing.

Joel - a super effort in Maths this week.

#### Cherry Class
