## Summer Term News

Week ending 11<sup>th</sup> May

Our value for the month of May is  
"Co-operation".

'How wonderful it is. How pleasant. For God's people to live together in harmony! Psalms 133:1

### St Michael's Litter Patrol

Thank you to Luke, Jayla, Poppy and Millie for starting our weekly litter pick last Friday, in and around the school. They were very enthusiastic and keen to do a good job,

which enabled them to fill a whole bag with litter!

### Sycamore (Reception) Outdoor Area

At last the mud kitchen has arrived and is being used. Thank you to Miss Tobin and her fiancé for getting it all assembled and ready for use.

Thank you for the donation of

a scooter and please talk to Miss Tobin or the office if you are able to give our Reception Class any good quality Early Years play equipment (scooters, cars, dolls, pushchairs, small world figures, dolls house etc.) that you are no longer using. If any parents know of any good second hand sales for this sort of equipment, please let us know. Thank you as always for your support.

### Willow Class (Year 1)

Willow Class are enjoying learning all about Knights and Castles. They are looking forward to sharing all their learning in their class assembly soon. The children are learning about plants this half term. They are very proud of their bean plants and are recording their growth in their bean diaries each week.

### 'The Friends' & Woolmer Green Village Day

Thank you for supporting 'The Friends' of St Michael's this morning with your generous donation of sweets. Please remember that Cherry Class will be selling cakes after school today.

### Key Stage SATs

We wish all of our Year 6 Children in Oak Class, a happy and restful weekend, prior to their tests next week. I know they will approach these in a positive way and are keen to get started.

### Maths Workshop Mornings

Just to remind you that these will be on the following dates at 9am:

Monday 11<sup>th</sup> June - Years 5 & 6

Wednesday 13<sup>th</sup> June - Years 3 & 4

Thursday 14<sup>th</sup> June - Rec, Years 1 & 2

The theme of the workshops will be calculation, with a focus on multiplication. They will be informal and will give you the opportunity to look at the methods and resources used by the children. You may attend any of the mornings, even if your child is not in the year group at the moment. There will hopefully be time to speak to teachers and ask questions.

### St Michael's Concert at the Village Hall

Things are beginning to get organised for the musical extravaganza on the afternoon of Sunday 8<sup>th</sup> July. Please see attached flyer and invite friends and family. If there are any pupils who have music lessons outside of school, please let us know ASAP, as we would love to include all of our musicians in the concert. On the day, if anyone is able to make some cakes for the refreshments these will be gratefully received. We will also be holding a raffle and if anyone is able to donate a prize, please let the office know. Thank you for your support. The money raised at this event will be put towards the cost of purchasing a 'music pod' as the orchestra is fast out growing the space in the old library and with our growing number of musicians we are desperate for extra space.

### E-Safety Evening

We have again attached the flyer for the joint e-safety evening held at Knebworth School on 9<sup>th</sup> May. We have contributed to the cost of the speaker and have been allocated 40 places. The response from our parents has been very disappointing so far and I would like to remind you of the importance of e-safety for all our children, but especially children in Key Stage 2.
