## Summer Term News

Week ending 13<sup>th</sup> July

Our value for the month of July is "Appreciation"

'I sing a hymn of thanksgiving and tell of all your wonderful deeds' Psalm 26:7

### Music Concert

What a wonderful afternoon of music we were treated to last Sunday! The children performed individually, in groups and as part of our orchestra and choir. They were full of confidence and impressed a very appreciative audience. You will be very pleased to learn that we raised £817 and an additional £168 for the Ukulele fund.

My thanks to our music teachers; Mrs Hewitt, Mrs Wadey & Mrs Jellett, who were there to encourage, accompany and support our young musicians. To all the Governors and husbands/partners for helping set up the hall and for organising the refreshments, our very grateful thanks. Not forgetting the generous raffle donations and our thanks to Dominic for calling this. Thank you to Mrs Stringer for coordinating the event and to our office for providing all the administrative support - a real team effort! Please read the report by Jonathan Seeley, that was emailed out on Wednesday, summing up the afternoon beautifully.

### French Assembly

On Tuesday two ladies from the French twinning association came to the KS2 assembly. Mrs Woods read *The Gruffalo* to the children in French and Emel was presented with a prize for her hard work in the language this year.

### Transition Morning

On Thursday morning the children spent some time in their new classes and met their teachers and teaching assistants. We aim to do the transition meetings for parents (as we did this year) for years 1-6 during the first two weeks back. We will let you know the dates before the end of term.

### Congratulations

On behalf of the school we would like to congratulate Dominic, who was recently ordained as a priest. We thank him for all the help and support he has given the school this year and look forward to working with him again next academic year.

### After School Provision

Luke Georgiou, from 'Superstar Sport', was in school on Wednesday to promote our new and exciting after school provision. He did an assembly for the children to launch this provision, and also spoke about some additional sports coaching after school. The children were given forms for both the coaching and after school club. Please return to the school office.

### Clubs Timetable for September

We are very lucky to have a huge variety of clubs on offer in September. The rota was sent out yesterday, so please sign up as soon as you can to avoid disappointment.

### Reports

The end of year report, including end of key stage assessments will be coming home today. Please take the envelope home, read through the report with your child and really celebrate their successes and achievements for the year. Please take the time to sign and fill in the feedback form at the back of the report and return to class teachers or the office, next week. Thank you as always for your support.

### Swimming Lessons

Next year, swimming lessons will begin in September for Year 5 children, in the Spring Term for Year 4 and in the Summer Term for Year 3. We have booked an exciting visit to Stanborough Lakes for Year 6 in September, where they will participate in 'Swim Safe' through the RNLI.
