

**Our value for the month of June is "Trust"
'Trust the Lord. Be brave and strong and trust
the Lord.' Psalm 27:14**

TAP Event

Lucia, Katie and Jasmine from Year 5 had a great time at last Friday's TAP event. The project is aimed at introducing children to a wide range of sports and to promote new friendships amongst children from a range of Welwyn and Hatfield schools

before their move to secondary school. The girls enjoyed participating in football, handball, dodgeball, archery and golf mini games before ending with a whole team tug of war!

Teen Author Visit

Children in KS2 were treated to a visit from teen author, Harrison on Tuesday afternoon. Harrison is only 15 years old, but has already written a number of books. The lucky children in this photo were chosen by Harrison to help him and were all given a signed copy of one of his books.

Redwood Class (Year 3) Trip

Year 3 had an amazing trip to the Harry Potter Warner Bother's Studio yesterday. They flew on broomsticks and had a workshop looking at the

materials used to make many of the costumes. Thank you to all the staff who accompanied this trip.

Road Safety Activities

Our Year 6 children have been out locally practising their cycling skills under the supervision of Mrs Fincham. They are all hoping to complete their

Level 1

& 2 'Bikeability' awards. Our Year 4 children have been practising their pedestrian skills, with the

help of our Road Safety Officer and Mrs Tjong, Mrs Stringer, Mrs Citrano and Mrs McGinty. I would like to thank them all for their help and support with these very important life skills.

Science Day

Today the children will be engaged in a variety of Science activities. They have also been thinking about 'Clean Air Day' and how we can all play a part in improving our environment. More news about this to follow next week.

More Football Success

Congratulations to Lois and her team for winning their football tournament after it went to penalties in the final! We're sure the girls will be thinking of playing in the World Cup in the future.

Improving Communication

Mrs Golding has set up a new 'School Letters' page on the website so that we can upload all the letters that go out each day/week. This should allow easy access for all parents if a copy of a letter gets lost, never makes its way home in the first place or is missed on ParentMail. It is directly underneath the newsletters on the menu. Just click on the 'Office' drop down menu, and then on 'School Letters'

Sports Day

Please ensure that you have filled out the slip and returned it, so that we can make plans for the day. If you have any queries about this, please let us know. Thank you to those parents that have offered gazebos. We will be setting up the field between 3:30 and 4:30pm on the Tuesday afternoon (weather permitting), so if you are able to bring shelters and help set up that would be very much appreciated. On Wednesday morning children will come to school in their P.E. kit, with sun cream applied, hats and water bottle. We will aim to start as close to 9am as we can, as it's due to be very hot. The kitchen will have extra cold drinks and biscuits available to buy.

Music Concert Sunday 8th July

Don't forget to purchase your tickets for our St Michael's Concert at the Village Hall from 3 - 5pm. Come and support our young musicians, the Orchestra and the Choir. Enjoy some afternoon tea following the performances and enter our raffle.

Summer Term News

Week ending 22nd June

Staffing

I am pleased to tell you that we have held interviews this week for a teacher post and we were successful in appointing. Once contracts are signed I will let you know who the new members of staff are and what the staffing will look like for September. As far as after school club is concerned, I am looking at a proposal by one of our Sport's coaching companies. I will again let you know more when we have a concrete plan.

Healthy Packed Lunch

We have noticed recently that some children's packed lunches (brought from home) are not following the healthy guidelines laid down by the government. Please provide water only to drink and be as healthy as is possible with snacks. Please see link below.

<https://www.nhs.uk/change4life/recipes/healthier-lunchboxes>

Skip Request

Thank you to a very generous parent who is providing a skip for us towards the end of term.
