

St. Michael's Woolmer Green C of E School: A Note from The Governors - End of Year 24

Dear Parents

We would like to thank all parents and carers for their continued support for the school and its staff. We are so fortunate have such a thriving school, with committed leadership and staff, who are strongly focused on providing the best for all pupils. This is a school with lots to celebrate, not least, our strong SIAMS inspection outcome. We are delighted that the report clearly acknowledges that 'The vision at St Michael's results in a deeply aspirational school. Pupils are loved, nurtured and supported to 'shine' as individuals.'

Thank you to Mrs Martin, Mrs Pulham and all staff, both teaching and non teaching, for the determination and commitment that each one of you has given throughout this academic year. It is so very much appreciated by the Governing Body.

At this point, we would like to thank 'The Friends' for the fabulous work they do. Their fundraising makes a real difference to the school and the experiences of our pupils. We know that you will continue to support them in all that they do.

Last but not least, THANK YOU to all the children for being who they are, for their enthusiasm in their learning and for helping to make the school environment the enjoyable and vibrant place that it is!

We wish the Year 6 children success and happiness in their new schools and always. Take the 'St Michael's Magic' with you and do your very best! We look forward to welcoming back those children returning in September and to meeting the new children and their families.

Have a happy and relaxing summer break.

With best wishes,

The Governing Body
