## 'Shine as Lights in the World'

Spring Term News

Week Ending: Friday 6<sup>th</sup> February 2026

Our School Value for the month of February is 'Curiosity'

Our Jigsaw PSHE themes for the Spring Term are 'Dreams & Goals and Healthy Me'

Our St. Michael's Golden Rule is: 'We will treat one another in a fair and equal way and treat others in the way we wish to be treated.'

### Curiosity

'Millions saw the apple fall, but Newton asked why.'  
Bernard Baruch

On Monday I introduced this month's value, curiosity. I found a story about a monster on the moon and whereas most people accepted the sightings of a scientist through her

telescope there was one scientist who became curious about the telescope and discovered a ladybird inside it which was what had been projected onto the moon and become the monster. We considered why curiosity is important and decided that it helps us discover new and important things. We also discussed 'I wonder' questions which sometimes links to spirituality questions where there is no specific answer...

### Our Choir at Wembley - Young Voices

On Tuesday morning, our 34-strong school choir left for Wembley Arena. They practised all day in readiness for the incredible performance to

families later in the evening. 4,960 children took part from schools all over the country. Thank you to all the children for representing our school so well and to the staff; Mrs Peters, Mrs Pulham, Mrs Fincham and Mr Lawson. They will all be looking forward to a well-earned rest this weekend, after singing and dancing their way into the late evening!

### Redwood Class Assembly

This morning, we had a wonderful end to the week, as Redwood Class presented the first, class assembly of the year. The children shared their work confidently and have learnt so much already

this year. We were treated to a song about the Earth's Crust, so we all know that bit of Geography learning now. Thank you to our Year 3 children and staff for a very polished presentation.

### Good Travel Plan

Thanks to all the hard work of our ATAs, the road safety initiatives that we take on and of course all your support. We have again been awarded our Good Travel Plan for 2025-26! We are very proud of this and of the skills and knowledge our children have about various aspects of road safety.

### Oak Class Indoor Athletics

Yesterday, Year 6 went to Stanborough School to compete in the Indoor Athletics competition. They represented our school brilliantly, they showed fantastic sportsmanship, determination and effort throughout. We are so proud of their team performance. Well done!

Spring Term News

Week Ending: Friday 6<sup>th</sup> February 2026

## Beech Class Writing

Our Year 5 Class have rounded off their work on 'The Lost Happy Endings' with real flair this week. The children have taken on a rich variety of writing tasks, from thoughtful letter writing to experimenting confidently with relative clauses to add depth and detail to their ideas. Mr. Seery is especially proud of their exceptional prequel stories, which now hang beautifully from their corridor display, showcasing their imagination and hard work. They can't wait to share this amazing learning with families at their upcoming Book Look. Please look on our website [Gallery](#) for our inspiring corridor displays reflecting writing in **all** classes this term.

## Celebrating Success

Huge congratulations to the Sadler family - Theo, Troy, Tevin and their sister Ophelia (now at Monks Walk) who on Monday 2 March, will be representing their team at the VEX IQ Robotics UK National Championships. They've qualified through to the finals again, which we're all incredibly proud of. We wish them all the very best of luck!

## School Grid

Just a reminder that this is now live for pre-ordering and we start to use it on Monday. The children will be pleased as they no longer must line up in register order. Please note that teachers will no longer be able to order meals in class and this will have to be directed back to the office, who will then have to call you. To save all this trouble for an already busy office, **please order at home** with your child and ensure that your account is in credit.

## Book Looks & Pupil Progress Meetings

Please take note of the Book Looks, which begin immediately after half term. These are followed by the Pupil Progress meetings on the 11<sup>th</sup> and 12<sup>th</sup> March. (Please note Reception is only 11<sup>th</sup> March). You were able to book these from Monday 2<sup>nd</sup> February, but if you are experiencing any difficulties with this, please call the school office.

## The Friends of St. Michael's

Don't forget to order your pizza packs to celebrate National Pizza Day on Monday.

## Attendance Cup

Congratulations to **Redwood Class**, with **99.4%** attendance this week - amazing!

No Celebration Assembly this week due to the class assembly. Please see diary dates on the next page.
