

St. Michael's Woolmer Green C of E School

'Shine as Lights in the World'

Spring Term News

Week Ending: Friday 8th May 2026

Our School Value for the month of May is 'Trust & Honesty'

Our Jigsaw PSHE themes for the Summer Term are 'Relationships & Changing Me'

Our St. Michael's Golden Rule is: 'We will treat one another in a fair and equal way and treat others in the way we wish to be treated.'

Celebrating David Attenborough - 100 Years Old

On Tuesday the Picture News Assembly was all about David Attenborough, a famous naturalist and broadcaster, who is celebrating his 100th birthday today. For over 70 years he has created and presented programmes that help people understand animals, nature and the planet. His work has inspired millions of people to learn more about the world and take care of it. The children were able to think about and consider the special responsibility we all have to protect and care for the world around us. They thought about one small thing they could do this week to help look after our planet.

We have subscribed to Picture News for many years now and have just received our loyalty badge. We use this each Tuesday as a way of looking at events in the world, innovations and amazing deeds. Each week focuses on a different British Value and allows children to share their own knowledge and expertise through discussion. It always features a picture and a 'big' question. This week's was, 'Why do some people become so important to the world?'

This story relates to **Rule of Law**. This is because rules apply to everyone. From world leaders to giant companies, we must all follow the same rules to protect our planet.

This story relates to **Democracy** because it shows we have the right to use our voices and share our opinions to help protect the environment.

Forest School Club

Our after school club met again on Friday and in addition to making clay faces there was painting and learning the skill of sawing. It was a super end to the week again. More photos on our [website](#).

Choir Trip to see 'Wicked'

On Wednesday, some of our pupils who took part in our Young Voices choir, had an amazing trip to see the musical Wicked. Everyone loved the songs, performances and the special effects; it was a brilliant experience from start to finish. After the show, the children also got the chance to take part in a Q&A with some of the cast, where they learned more about performing on stage and life in the theatre. It was a fantastic day that we're sure everyone will remember for a long time! Lots more photos on our [School Instagram](#).

Scooter Skills in Cherry Class

This morning, as part of our road safety programme, the class are having a session with Chi (Herts Road Safety Officer) on safer scooting. They are learning how to scoot around obstacles and stop safely.
